ALBERTO LANCHAS

FULL STACK DEVELOPER

As a self-taught programmer with 2+ years of experience, I am passionate about cryptocurrencies and blockchain technology. While my focus has been primarily on Frontend development, I have been expanding my skills as a Full Stack Developer completed several freelance projects.

Additionally, I am a Food Science Technologist with experience in Food Sector and a Master's degree in Food Quality. I am excited about the opportunity to bring my skills and experience to a dynamic company in the crypto space.

MOST RECENT WORK EXPERIENCE

Consultant at Laragon

November 2022 - Present · 5 months (Madrid) (ESG, SaaS)

RESPONSIBILITIES

- Implementation of solutions to multinational companies for sustainable development in environmental and sustainability management, health and safety, risk management and compliance.
